SEE THE BENEFITS

of the Low Boy Orbiting Heavy-Duty Floor Machine

Warranty: "Best Warranty on the Planet" – 5-years on motor, transmission and chassis.

- Orbiting transmission runs at over 1725 orbits per minute (OPM). The random orbital drive provides the fastest sanding with no torque gouging, swirling or vibrations.
- Powerful induction motor is totally enclosed allowing a long life for brushes and commutator.
- A 16" sanding screen lays under the pad driver fit with a standard 16" scrubbing pad. Order pad drivers and sanding screens separately.
- 19" apron with vacuum connections control and collect sanding dust to create a lightweight, high-productivity screen sanding machine.
- Collect sanding dust with a Backpack Vacuum by adding an optional Sanding Dust Kit. Hoses attach to the machine base with cuffs and to the handle with a "T" mount (order Part No. 12TV027 separately).
- Safety-enhanced interlock switch on the handle leaves both hands conveniently in control.
- Safety-enhanced, non-conductive dual triggers on the handle eliminate shock potential.
- Free-floating, chromed steel handle includes an easy kick release and an automatic locking system.
- Includes 5" non-marking, fixed operating wheels for easy transport.
- Includes (1) 50-foot, 14/3-gauge safety power cord. Motor plugs into cable at the base of the handle for easy maintenance.

Order pad drivers and 16" sanding screens separately.
