SEE THE BENEFITS

of the Storm Wet/Dry Vacuums

Warranty: 1-year warranty on motors, 90-days on tools and accessories.

- Powerful dual 1.335 HP (total 2.67 HP) / 2000 Watt vacuum motors with separate switches for each motor.
- High 225 CFM airflow and 78" water lift.
- 20-gallon tank capacity. Select chromed steel or super-durable poly tank construction.
- Weighing only 63 lbs. (empty), this lightweight wet/dry vac is steady on the floor and makes transport easy.
- Cloth vacuum filter controls dust and protects motors. Easy to remove and wash.
- Includes a 10-foot vacuum hose, strong chromed-plated steel "S" wand and durable vacuum head.
- The 1.5" vacuum hose locks securely to the tank port.
- Includes a 5-piece tool kit: crevice tool, dust brush, squeegee tool, scalloped bristle floor tool and 2-piece wand.
- Includes (1) 50-foot, 16/3-gauge safety power cord.

APPLICATIONS

- Used for both wet and dry vacuuming. Ideal for flood or spill clean-up.
- The vacuum head may also pick-up dirt and dust particles.
- May be used on hard floors or carpeted areas.
- With a 20-gallon capacity, the STORM Wet/Dry Vac is recommended for maintaining and cleaning larger areas.
