

The Broom Machine

30" Compact Manual Sweeper from MERCURY

Effective Sweeping Transmission

Belt-Drive Side Broom
Folds up for Storage
and Transport

1.4 Bushel Recovery
Basket is Easy to
Mount and Remove

- 30-inch sweeping path manual push sweeper efficiently cleans a range of hard surfaces including concrete, vinyl, tile, wood, brick and asphalt.
- Fast, silent grooming of carpeted floor.
- Cleans over 30,000 square feet per hour.
- Injection molded polyethylene body prevents rust, and assures long life.
- Cylindrical main broom with 4 double-rows of stiff poly bristles picks up the lightest soils. Geared brush drive throws soils forward - - not up and over.
- Height adjustment knob raises or lowers the main broom. Lower the broom to sweep more aggressively.
- Poly side broom sweeps soils away from walls and out of corners into the path of the main broom.
- Walks easily through any standard-size door. Belt drive side broom folds up for storage and transport.
- No batteries to recharge. No cords to manage.
- Easily removable 1.4 cu. ft. (40 L.) Debris hopper.
- 8" stair-climbing transport wheels and 2" front wheel give a tight turning radius.
- Low rise chassis.
- 1 year warranty.
